License terms

The University Computer Center Leipzig (URZ) offers in conjunction with its project partners through this web application access to digitized documents. The purpose of these services are scientific and are protected under copyright law. The systems are protected databases as defined in §§ 87a sqq. UrhG. of the German case-law. All documents published in it are the intellectual property of their authors. There exist related rights. A commercial use without the consent of the copyright holder is excluded. Any use not permitted by copyright law is prohibited. This applies especially for reproduction, adaption, translation, saving, processing respectively rendering of contents within other databases or in electronic or other media, if not otherwise agreed in written form. When citing material, please indicate the source. With the use of this document you recognise the terms of use.
